Daniels Submits Report of Committee Considering Personnel Cut.

### CAN'T INCREASE OFFICERS

By New System of Promotion, "Weak Sisters" of Service Would Be Wielded Out.

Secretary of the Navy Daniels Yester day transmitted to Congress the report of a special committee which has spent several months in drafting a bill to reorganize the personnel system of the navy, a project which has been under consideration at the Navy Department

for several years.

The proposed bill seeks to weed out The proposed bill seeks to weed out the less fit officers without the use of the "plucking board." To this end the committee "establishes the principal of promotion by competitive methods and the selection of the most efficient, to-

#### Captain's Term Seven Years.

It is proposed to begin the process of petitioners. they become candidates for promotion to Episcopal Church sued Henry, Benjamin the grade of lieutenant commander. The W. Woodruff, Charles P. Williams, and

"Normally two out of every three lieutenants will be promoted to the grade of lieutenant-commander and the length of service in this grade is six years. At the end of that period those remaining will become candidates for promotion to the grade of commander. About one-half will be promoted and the other half transferred to the active reserve list. Those church, with J. R. Hawkins, financial be promoted and the other than trans-ferred to the active reserve list. Those church, with J. R. Hawkins, financial promoted will serve as commanders for six years. About one-half will then be promoted in the same manner to the grade of captain. Seven years is the per-grade of captain. Seven years is the pergrade of captain. Seven years is the period of service prescribed for captain, and
the class originally composed of 150 ensigns will, on arriving at the top of the
list of captains at the end of thirs for signs will, on arriving at the end of thirty-four list of captains at the end of thirty-four years' service, be reduced to approximate-ly ten on the active list. Of this num-ber five will go up to the grade of rear admiral and the remainder will be placed

on the active reserve list.
"In like manner provision is made for the advancement to the grade of master the most efficient commissioned warrant officers. The board believes that the principle of promotion by selection after fair competition should apply to their case as recommended for all other of ficers. As a further step all masters who are qualified will enter the line or the various staff corps with the rank of lieutenant, junior grade, in the line promotion, in addition to the opportunities for their advancement now afforded

The committee was enjoined from recmmending any action which would necessitate an increase in the number of officers in the navy. It is estimated that the proposed bill would give the navy eighteen rear admirals, seventy-five captains, 140 commanders, 320 lieutenant-commanders, and such numbers of lieu-Senator Sheppard, chairman of the tenants and ensigns as may qualify.
